- November 28, 2005
- 4678 Corner Brgy. 588 Old sta. Mesa manila

## SKILLS

- Fast learner
- Leadership
- Time management
- Program coding
- Editing

## EDUCATION

- Gumian Elementary school  
*Elementary school*
- Tongohin National Highschool  
*High school*
- Northern Quezon College Inc.  
*Senior High school*

## EXPERIENCE

- **Quezon II Electric Cooperative Inc.**  
*May - June 2024*  
***Accounting Assistant***

# SEAN RUSSEL A. DE ROXAS

## ABOUT ME :

I'm a first-year Computer Engineering student currently building a strong foundation in both hardware and software systems. I'm passionate about problem-solving, innovation, and learning new technologies that can make real-world impact. My interests include programming, circuits, and automation. I'm eager to grow in this field and contribute to future tech solutions.

## SKILLS

- Fast learner
- Editing
- Program Coding

## EDUCATION

- San Gabriel Elementary School  
*Elementary school*
- Sto Niño National High School  
*High school*
- Pamantasan ng Lungsod ng Marikina  
*Senior High school*

## EXPERIENCE

- UTILIZATION OF CORN STALK (Zea mays) AS MAIN COMPONENT IN MAKING BIODEGRADABLE DISPOSABLE CUTLERY

# JENNY ROSE B. MECASIO

## ABOUT ME :

I'm a first year computer engineering student with a passion and deep appreciation for both analytical and creative disciplines. I have also found great interest in mathematics, visual arts, and technical design. I am currently focusing on building a strong foundation and background in the field of engineering and technology in order to develop sustainable, efficient technologies that can contribute to society, especially in areas related to astronomical research and discovery.
